PERSONAL SUMMARY

Postgraduate Diploma in Management (Business Administration) candidate at Wits Business School with a Bachelor of Arts in International Relations, specialising in International Politics.

Complemented by practical experience through a Business Administration Learnership at Seriti Resources, where I supported administrative operations, document management, stakeholder communication, and business processes within a corporate mining environment.

Strong analytical, organisational, and problem-solving skills with a keen interest in industrial operations, business improvement, and contributing to sustainable business growth in a global organisation.

Available for full-time internship or graduate opportunities from October 2026 upon completion of coursework.
